#235FW – I-80/I-294, N/S, 2,700’ E/O Halsted, F/W

This unit is located on I-80 and I-294 (S. Tri-State). This bulletin is a excellent location with a very long, unobstructed read and is located in an area with very limited competing bulletin locations.

This unit is between Halsted Ave and a very long quarry bridge.

I-80 connects the Chicagoland area with Northwest Indiana. I-80 also goes through the highly desired south suburban areas of Frankfort, Orland Park and Tinley Park, IL. I-294 connects with I-80 to the south and continues as a loop through the Chicagoland area, past O’Hare International Airport to the Wisconsin border.
