#244FW – I-80, N/S, 1000’ E/O Kedzie, F/W

This unit is located on I-80, just prior to the intersection for the S. Tri-State Expressway (I-294). This unit has great visibility and is located in an area with limited outdoor advertising coverage. It is the first unit of three in a row – which are the only three board locations within a few miles of either direction along I-80. This board has a long, head-on, unobstructed view as the expressway curves into this board on the approach.

This board is located near the First Midwest Bank Amphitheatre - Chicago’s premiere outdoor concert venue. New retail and residential develop areas of Tinley Park and Orland Park are also targeted by this location.
